AMANDA WHALEN

Chief Operating Officer

Amanda is the Chief Operating Officer for Sellick Consultants, a multi discipline engineering firm, with 50 staff across two offices in Canberra and Sydney. Amanda started working with Sellicks in 2006, as a member of a small admin team. As her skills developed, she continued to take on greater roles within the Administration team, in 2010 Amanda took on the role of Office Manager and then in 2015 Amanda was appointed Business Manager.

Amanda's role is to oversee the daily Operations of the business including Financial, Human Resource and IT Management. Amanda holds Advanced Diplomas in Accounting & Human Resource Management.

Amanda has previously held positions in Recruitment with Quest Solutions, and held Venue and Duty Management Positions in the Hospitality Industry, in Canberra, Queensland and Victoria.

Qualifications

Advanced Diploma in Accounting

Human Resource Management
